## Keeping Safe during your Journey

### **BE PREPARED**

Plan your journey in advance, prepare your face covering & consider how you will pay. Use contactless or exact change where possible.

If possible, complete your journey outside of peak times and use quieter bus stops.

### **AT THE BUS STOP**

Give other passengers space and stand well back to allow room for those getting off the bus.

Be prepared to wait longer than usual as your first bus may be full and unable to stop.

### **ON THE BUS**

You must wear a face covering.

Follow operator guidance on the bus - space yourself out, sit only where instructed and do not close any windows.

Always use hand sanitiser where available.
