

The Canterbury Academy

A school for all the Talents

YEAR 11
Mock Exam
Revision Information Sheets
February 2024

In partnership with Simon Langton  Grammar School for Boys to provide a grammar school band for boys and girls in a comprehensive school for all the talents

Mock Exam Timetable February 2024

Date	Morning examinations (8:45am meet in room 301)	Afternoon examinations (12:55pm meet in the Quad)
Monday 5 th February	History/Geography paper 1	Music paper 1
Tuesday 6 th February	English paper 1 Functional skills English	Sociology paper 1 Computing paper 1
Wednesday 7 th February	Maths paper 1 Functional Skills Maths	Biology paper 2 Functional Skills Science
Thursday 8 th February	Chemistry paper 2 Functional Skills Science	Dance paper 1 Drama paper 1
Friday 9 th February	English paper 2	French paper 1 Spanish paper 1
Monday 19 th February	History/Geography paper 2	GCSE P.E paper 1
Tuesday 20 th February	English paper 3	Religious Studies
Wednesday 21 st February	Maths paper 2	Sociology paper 2
Thursday 22 nd February	Physics paper 2 Functional skills science	French paper 2 Spanish paper 2
Friday 23 rd February	Maths paper 3	Catch up session (if there were examination clashes)

- **Your other subjects may be carrying out a mock within your classroom lesson time around this main schedule. Please make sure you are aware of when they will be.**

Contents

- English Language
- English Literature
- Mathematics
- Combined Science
- Triple Science
- Geography
- History
- French
- Spanish
- Computer Science
- BTEC Sport
- GCSE PE
- Business
- Health & Social Care
- Child Development
- Sociology
- Hair & Beauty

Subject	English Language (Paper 2) Writers' Viewpoints and Perspectives		
Exam Information	<ul style="list-style-type: none"> • 1x paper • 80 marks for whole paper • 1 hour 45 minutes – 15 minutes reading time, 45 minutes on Section A, 45 minutes on Section B • Extract from two nonfiction texts (provided) • Exam board = AQA 		
Question Overview	<p>Question 1</p> <ul style="list-style-type: none"> • Draw a highlighted box around the lines specified in the question. • Read again the specific lines from the Source identified in the question (A or B). • Shade in the four circles for the statements which are TRUE. • Testing comprehension. <p>AO1 4 marks 5 minutes</p>	<p>Question 2</p> <ul style="list-style-type: none"> • Summarise a specified similarity or difference between both Sources. • Use PEEC to ensure you make relevant points, provide key quotations, explain quotations using inference and then compare with the second Source by repeating the above. <p>AO1 8 marks 10 minutes</p>	<p>Question 3</p> <ul style="list-style-type: none"> • Analyse the language in one of the Sources (the question will specify). • Draw a box around the specified lines and only take answers from here. • Use PEA to support the structure of your answers. • Make a clear point that links to the question. • Include subject terminology throughout. • Analyse the writer's intentions and the effects on the reader. <p>AO2 12 marks 10-15 minutes</p>
	<p>Question 4</p> <ul style="list-style-type: none"> • Compare writers' perspectives and viewpoints. • You can discuss both language and structural methods used by the writer. • Must include subject terminology (methods). • Compare the whole of Source A to the whole of Source B. • Use PEAC to ensure you make a relevant point, support it with a quotation, analyse the writers' methods and then compare to the second Source by repeating the above. <p>AO3 16 marks 15-20 minutes</p>	<p>Question 5 Transactional Writing</p> <ul style="list-style-type: none"> • Plan your answer (5 minutes). • You will be given statement which should inspire your nonfiction writing. • Do not directly mention the statement in your writing (for example, do not start with I agree/disagree with the statement). See the statement as a 'brief' in which you should respond appropriately. • Spend 35 minutes writing. • You will be marked for your SPaG and vocabulary. • Proofread your answer at the end (5 minutes). • You will be asked to write a nonfiction form. For example, a letter, article, essay, blog, speech, text for a leaflet. • There is no choice of questions. <p>AO5 – content and organisation 24 marks AO6 – SpaG and vocabulary 16 marks 45 minutes</p>

Mr Bruff <https://www.youtube.com/@mrbruff/playlists>

Afterschool English Revision Sessions

- Every Tuesday 3-4pm. Speak to your teacher about the revision schedule for this term.

Additional Guidance

Reading Time

Make sure you allow yourself 15 minutes to read both Sources, the questions and then the Sources again. It is essential that you read the Sources at least twice. Annotate and highlight the text during the reading time to support your responses.

Key Points

- Section A reading material may help you with the form for your transactional writing. The questions in this section may also help you to structure your Question 5 response.
- Use some of the vocabulary from the Sources in your Question 5 response if you are struggling. You are marked for vocabulary in both AO5 and AO6.
- Use your time wisely; don't spend too long on the short questions and not enough time on the long questions.
- Try to think of imaginative and unique ideas for Question 5 – be convincing and compelling!
- Use the appropriate form layout for Question 5 and don't 'flip-flop' between points of view – be clear and consistent.

Make sure you answer ALL questions on the paper. To attempt something is better than to leave it blank.

Subject	English Literature Paper 1: Shakespeare and Post-1914 Literature	
Exam Information	<ul style="list-style-type: none"> • 1x paper • 80 marks for whole paper • 1 hour 45 minutes • Exam board = Edexcel 	
Question Overview	<p><u>Macbeth Question 1a</u></p> <ul style="list-style-type: none"> • You will be given an extract which will be about a page long. • You should analyse the language, structure and form. • Use PEA to structure your response. • Only use material from the extract. • Closed book. <p>AO2 20 marks 30 minutes</p>	<p><u>Macbeth Question 1b</u></p> <ul style="list-style-type: none"> • This is the discursive question. • You will be given (usually) a theme to explore across the WHOLE play. • DO NOT take any material from the extract. • You should use PEEC – make relevant points that link to the question, include quotations to support points, outline what the quotations suggest in relation to the question and explore how context helps you come to your conclusions. • Closed book. <p>AO1 – 15 marks AO3 – 5 marks 30 minutes</p>
	<p><u>Animal Farm Questions 19 OR 20</u></p> <ul style="list-style-type: none"> • Choice of two questions – only answer ONE. • Use PEEC – make relevant points that link to the question, include quotations to support points, outline what the quotations suggest in relation to the question and explore how context helps you come to your conclusions. • Context is worth the same amount as comprehension. • You are marked for SPaG and vocabulary. • The questions usually explore either a character, theme or concept. • Closed book. <p>AO1 - 16 marks AO3 – 16 marks AO4 – 8 marks 45 minutes</p>

Afterschool English Revision Sessions

- Every Tuesday 3-4pm. Speak to your teacher about the revision schedule for this term.

**Additional
Guidance**

Key Points

- The paper will have a variety of questions about several other texts that we do not study. ONLY answer the questions that relate to *Macbeth* and *Animal Farm*. DO NOT answer the questions on any other text.
- All parts of the paper are closed book.
- Each question is an essay question, so ensure you write a sufficient amount for each one.
- Don't just 'bolt on' context; ensure it is embedded throughout your explanation.
-

Make sure you answer ALL questions on the paper. To attempt something is better than to leave it blank.

Subject	English Literature Paper 2: 19th-century Novel and Poetry since 1789	
Exam Information	<ul style="list-style-type: none"> • 1x paper • 80 marks for whole paper • 2 hours 15 minutes • Exam board = Edexcel 	
Question Overview	<p><u>Jekyll and Hyde Question 3a</u></p> <ul style="list-style-type: none"> • You will be given an extract which will be about a page long. • You should analyse the language, structure and form. • Use PEA to structure your response. • Only use material from the extract. • Closed book. <p>AO2</p> <p>20 marks</p> <p>30 minutes</p>	<p><u>Jekyll and Hyde Question 3b</u></p> <ul style="list-style-type: none"> • This is the discursive question. • You could be given a themes, character, concept or setting to explore across the WHOLE novella. • DO NOT take any material from the extract. • You should use PEE – make relevant points that link to the question, include quotations to support points, outline what the quotations suggest in relation to the question. • Closed book. <p>AO1</p> <p>20 marks</p> <p>30 minutes</p>
	<p><u>Conflict Poetry Question 9</u></p> <ul style="list-style-type: none"> • Compare two poems from the anthology. • One poem will be printed, the other will not. • The exam paper will list the titles and poet underneath the question. • Use PEAC - make relevant points that link to the question, include quotations to support points, analyse the language, structure and form in relation to the question and explore how context helps you come to your conclusions. Repeat this for your second poem. • The question will relate to a theme. • Closed book. <p>AO2 – 15 marks</p> <p>AO3 – 5 marks</p> <p>30 minutes</p>	<p><u>Unseen Poetry Question 12</u></p> <ul style="list-style-type: none"> • Compare two UNSEEN poems. • Use PEAC - make relevant points that link to the question, include quotations to support points, analyse the language, structure and form in relation to the question. Repeat this for your second poem. • Ensure you read both poems at least twice and annotate each poem. <p>AO1 – 8 marks</p> <p>AO2 – 12 marks</p> <p>40 minutes</p>

Guidance**

Multiple choice / Match the Boxes Questions

These questions rely on basic recall of content to answer the questions. If unsure, eliminate definite incorrect answers and then take best guess at the correct answer.

Never leave these questions blank, even if unsure of the answer.

'State' Questions

Simply recall and write down a single fact or write a single statement about data/information provided in the question.

'Explain' Questions

Simply recall and write down a single fact or write a single statement about data/information provided in the question.

Then write down the reason why this fact/statement is valid.

Calculation Questions

1. Identify values provided in the question and write them down in a list.
2. Convert units of those values (if necessary).
3. Recall correct equation and write down.
4. Substitute values into the equation.
5. Rearrange (if required).
6. Calculate answer **using a calculator**.

Required Practical 6 Mark Questions

Be sure to include: a list of equipment, all variables (independent, dependent, and control), brief risk assessment, and a numbered method written clearly in a step-by-step fashion.

Subject	Geography GCSE		
Exam Information	<ul style="list-style-type: none"> For the February mocks there will be two exams. Paper 1 (1 hr 30), Paper 2 (1 hr). 		
Exam Topics Paper 1	<p><u>The Challenge of Natural Hazards</u></p> <p>Know the effects of climate change on people and the environment</p> <p>Know what the general atmospheric circulation model is.</p> <p>Know a named example of a tropical storm to show its effects and responses.</p> <p>Know how monitoring, prediction, protection and planning can reduce the effects of tropical storms.</p> <p>Know the physical processes taking place at different types of plate margin (constructive, destructive and conservative) that lead to earthquakes and volcanic activity.</p>	<p><u>The Living World</u></p> <p>Know an example of a small scale UK ecosystem to illustrate the concept of interrelationships within a natural system, an understanding of producers, consumers, decomposers, food chain, food web and nutrient cycling</p> <p>Know a case study of a tropical rainforest to illustrate:</p> <ul style="list-style-type: none"> causes of deforestation impacts of deforestation <p>Know the strategies used to manage the rainforest sustainably</p> <p>Know a case study of a cold environment to show the opportunities and challenges to development</p>	<p><u>UK Physical Landscapes</u></p> <p>Know some erosional and depositional landforms for rivers and coasts.</p> <p>Know some different management strategies for rivers and coasts and their costs and benefits.</p> <p>Know the physical and human factors that affect flood risk on rivers.</p>
Exam Topics Paper 2	<p><u>Urban Issues and Challenges</u></p> <p>Know a case study of a city in a LIC/NEE to show the opportunities and challenges of urban growth</p> <p>Know how urban transport strategies are used to reduce traffic congestion.</p> <p>Know a case study of a city in the UK to show how urban change has created opportunities and challenges</p>	<p><u>The Changing Economic World</u></p> <p>Know the different economic and social measures of development and the limitations of these measures</p> <p>Know the causes of uneven development and strategies to reduce the development gap</p> <p>Know a case study of a LIC/NEE to show the effects of economic development on people and the environment</p> <p>Know what science and business parks are</p> <p>Know how an example of modern industrial development in the UK can be environmentally sustainable.</p>	
Revision Resources		GCSE Pod	https://www.gcsepod.com

Afterschool Geography Support Sessions

- Every Friday in room 75

**Additional
Guidance**

Question types.

There are various question types – 1, 2, 3, 4, 6 + 9 mark questions.

Some questions will be multiple choice whereas as other will require full sentences. Check the space the examiner gives you as this will give you a clue as to how much you may need to write.

The exam is 'a minute a mark'. Make sure you allow yourself enough time to answer all the questions.

Do not leave questions that you are supposed to answer blank – if you are not sure have a guess.

Command words

In your exam the exam questions will use a variety of command words. Make sure you read these carefully so you know how to approach the exam answer.

For example state, describe, outline, suggest reasons, explain, assess.

Map skills.

In your mock a few marks will come from map skills. Make sure you know how to do 4 + 6 figure grid references, direction, distance and contours.

Maths skills.

In your mock some questions will require your maths skills. Make sure you know how to calculate mean, median, mode, percentages, range and interquartile range

Subject	History GCSE	
Exam Information	<ul style="list-style-type: none"> For the February mocks there will be two exams (2 hours each) 	
Exam Topics	<p><u>Paper 1</u></p> <p><u>Democracy and Dictatorship in Germany</u></p> <p>Know the difficulties faced by the Kaiser before WWI.</p> <p>Know the consequences of WWI on Germany and the challenges faced by the new Weimar Government.</p> <p>Know how Hitler became Chancellor and turned Germany into a dictatorship.</p> <p>Know the changes various groups faced under the Nazis.</p> <p><u>Conflict and Tension in Asia</u></p> <p>Know the origin of the Cold War after WWII.</p> <p>Know how conflict spread from Europe to Korea and Vietnam.</p> <p>Know the events and consequences of the Korean War.</p> <p>Know the events and consequences of the Vietnam War.</p>	<p><u>Paper 2</u></p> <p><u>Norman England</u></p> <p>Know the situation in England in 1065 under the Anglo Saxons</p> <p>Know the issues surrounding the death of Edward the Confessor and succession Crisis</p> <p>Know the battles of 1066 and the factors leading to William's victory</p> <p>Know the changes William made to Anglo Saxon England and the impacts it had on people's lives</p> <p>Know the methods of control used by William.</p> <p>Know about the historic environment study of Wales and the Norman conquest</p> <p><u>Britain Health and the People</u></p> <p>Know about the medical ideas and practices of the Ancient Greeks and Romans, like Hippocrates and Galen.</p> <p>Know about the influence of the Christian Church and their involvement in illness, care and treatment.</p> <p>Know about the ideas of the Islamic world and how these spread to Europe in contrast to Christian Ideas.</p> <p>Know the figures responsible for care and treatment in Middle Ages Britain e.g. Barber surgeons</p> <p>Know the events and significance of the Black Death as an epidemic in Britain.</p>
Revision Resources	<p style="text-align: center;">GCSE Pod</p> <div style="display: flex; justify-content: space-between; align-items: center;">  <a data-bbox="804 2078 1098 2107" href="https://www.gcsepod.com" style="color: blue; text-decoration: underline;">https://www.gcsepod.com </div>

	<p>Write a Point, Explain, Effect paragraph for each set of three marks (e.g. 6 marks = 2 paragraphs). Link the effect to the scenario of the question. E.g. Mary would like her computer to run faster, explain one method of doing this, including any disadvantages of doing this.</p> <p><i>Mary could overclock the CPU frequency. (1st Mark) The CPU would then perform more fetch-decode-execute cycles per second, measured in gigahertz (2nd Mark). The effect is that the CPU could run programs more quickly (per core of the CPU) but overclocking produces more heat which can damage the CPU if not dealt with. (3rd Mark)</i></p> <p>Calculation Questions</p> <ol style="list-style-type: none"> 1. If asked to add, subtract, divide or multiply in binary, do not convert to denary except to check your answer 2. Expand terms so that the units match 3. Reduce the term to match the question (if required). 4. Calculate answer on paper showing all working
<p>Additional Guidance</p>	<p>PAPER 2 - Resources in the Exam</p> <ol style="list-style-type: none"> 1. Question Booklet <ol style="list-style-type: none"> a. Gives instructions on what must be changed or written in the Program Files, read it carefully b. Do not write in the question booklet, it is not marked 2. Programming Language Subset (PLS) <ol style="list-style-type: none"> a. Use the booklet to help remember the key Python syntax. b. Remember that a word shown <like this> must be replaced with the variable or value you are working with. c. Do not write in the PLS, it is not marked 3. Program Files <ol style="list-style-type: none"> a. You will be provided with a Python file for each question with the file name Q<x> where x is the question number. b. Save the file as Q<x>completed before writing any code. You can then re-open the original if you make a mistake. c. Read any comments in the program file, you may need to write code in a specific place d. You may save versions as you work but only the file with 'completed' in the name will be marked. e. Only write code in the files provided by the exam board. f. Occasionally, you may be given a .txt file. If it contains data, you will be asked to read in or append to that file in one question 4. IDE <ol style="list-style-type: none"> a. Open the Program files in the IDE provided (it will be the same as you use in class) b. Use the IDE error messages to help you find and fix errors. c. Some questions will ask you to debug the code provided – run the code. d. If provided with test data in the question booklet, you must test the program using those value as inputs. e. If asked to write your own code in the question booklet, the code does not have to work exactly to gain some marks. Run the code a test with sensible values. f. If the IDE crashes, copy your code before closing it so that you can paste it back in. Save your work before running the code. Be extra careful if asked to use the Turtle library

Additional Guidance

Short questions (1-4 Marks): Make sure you include one sociological key term, concept, or example for each mark per question. For example -

Identify and describe one factor that may have led to an increase in family diversity in Britain.

(3 Marks)

*One factor that has led to increased diversity is a change to **same sex marriage laws**. This has led to **more same sex couples** who are now allowed to be married and raise children since, whereas **before the law changed this type of family may have been considered deviant**.*

Long questions (12 Marks):

Introduction – this is where you set out your response
There is a difference in how far sociologists would agree that... There are many reasons for this, such as...
Paragraph 1 – in support of the statement
Point – Make an opening point that supports the statement – ‘xxxxxx would agree that...’
Evidence – ‘There is evidence to support this such as ...’ (Refer to a theory, key study, statistics or even a figure from the exam paper.)
Explain – ‘This demonstrates that...’ (Explain how your evidence supports the statement – use connectives to develop your explanation, eg. as a consequence..., this means that..., furthermore....)
Evaluate – ‘However other sociologists, such as xxxxxx may disagree with xxxxxx – this is because...’ (Present an example of who might disagree and why. Or if appropriate, you can choose someone who would agree and say why.)
Link – ‘Therefore we can see that...’ (State how what you have written helps to answer the debate.)
Paragraph 2 – counterargument
Point – On the other hand, sociologists such as ‘xxxxxx would disagree that....’
Evidence – ‘They would argue that....’ (Refer to a theory, key study, statistics or even a figure from the exam paper.)
Explain – ‘This shows that....’ (Explain how your evidence supports the statement – use connectives to develop your explanation, eg. this results in..., this highlights that..., in addition....)
Evaluate – ‘However other sociologists, such as xxxxxx may disagree with xxxxxx – this is because...’ (Present an example of who might disagree and why. Or if appropriate, you can choose someone who would agree and say why.)
Link – ‘Therefore we can see that...’ (State how what you have written helps to answer the debate.)
Conclusion – make a judgement
Overall sociologists would..... because..... Although....
TOP TIPS
<ul style="list-style-type: none">• Use sociological language – specialist vocabulary• Include relevant sociologists and theories• Try to include key studies if applicable• Argue both sides of the debate – an unbalanced argument will prevent you reaching the top bands• Don’t include your own opinions on the subject matter – you have been asked to discuss what sociologist think, not what you think• Use CAGES – class, age, gender, ethnicity, sexuality

Subject	City and Guilds Technical award in Hair and Beauty
Exam Information	<p>EA: Exam Assessment written exam 7th of June 2024 (resit 4th of November 2024)</p> <ul style="list-style-type: none"> • 2hrs • 60 Marks <p>NEA (Non-exam Assessment) = Course work.</p> <ul style="list-style-type: none"> • Divided in to 3 tasks • Task 1: up to 6 hours. Research task, documented on word or PowerPoint (own choice) cannot be written, has to be typed. • Task 2: up to 3 hours. Practical task, recreating 1920's themed, hair, makeup and nails. (On a model) • Task 3: up to 4 hours. Designing a website for an event. • 60 Marks • AO1 Recall of knowledge • AO2 Understanding of concepts theories and processes. • AO3 Application of practical/ technical skills • AO4 Bringing it all together - coherence of the whole subject • AO5 Attending to detail/ perfecting
